## Additional disclosure notes\*

The following information is provided to assist the reader to understand the accounting statement and/or the Annual Governance Statement

**1. Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000**

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2023-24 was £9.93 per elector.

In 2023-24, the Council made payments totalling £\_\_\_\_\_0\_\_\_\_\_ under section 137. These payments are included within 'Other payments' in the Accounting Statement.

**2. Council's AR for 2022/23 was submitted late and has not yet been confirmed. That AR submitted did not account for un-presented cheque payments prior to Y/E. These are identified and accounted for on the submitted Y/E Cashbook Reconciliation for this year.**

## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of **Croesyceiliog & Llanyrafon Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### Basis of Qualification

#### Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly/fairly presents the Council's receipts and payments/income and expenditure and financial position:

- The Accounting Statement does not agree with the detailed cashbook provided by the Council. Based on the cashbook, the Accounting Statement should report the following:
  - Other receipts (line 3) £3,313
  - Staff costs (line 4) £32,368
  - Other payments (line 6) £137,973
  - Cash and bank (line 9) £134,316
- The Council did not provide bank statements to support the balance reported in its deposit account.
- I have been unable to reconcile the clerk's salary to the contract of employment with the actual salary paid being in excess of the contracted amount. The cashbook does not separate the clerk's salary and expenses.

I am therefore unable to conclude whether or not the Accounting Statement is a complete and accurate summary record of the Council's transactions and balances

## **Annual Governance Statement**

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 2: We were unable to find Council approval of the CCYP £10,000 grant in the Council's minutes. We also identified two further payments that were not approved by the Council and 10 payments that were approved after payment was made. Therefore, the Council has not operated its internal controls in a consistent manner.
- Assertion 3: The Local Government Finance Act 1992 requires the Council to determine its precept in accordance with its calculated budget requirement. The Council's minutes do not demonstrate that the Council properly considered its budget for the 2023-24 financial year. The Council did not set the precept by resolution.
- Explanatory bullets

## **Other matters and recommendations**

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

### **Members allowances**

We identified a £300 discrepancy between the amount of members allowances paid in the year recorded in the cashbook and that reported on the schedule of members allowances.

We recommend that the Council carefully reviews all information submitted to third parties for accuracy.

### **Staff salaries and other costs**

Our audit work identified payments of overtime that were not approved by the Council.

### **Approval of accounts**

In the Annual Governance Statement (AGS), the Council confirms that it has maintained an adequate system of internal control. An important source of evidence over the adequacy of the system of internal control is provided by the Internal Auditor. However, the Council did not receive the Internal Auditor's report until after it had approved the AGS.

We recommend that in future years, the Council ensures it has received and considered the Internal Audit report before it approves the AGS.

There are no further matters I wish to draw to the Council's attention.
