Clerk's Report

MONDAY 26.10.2026

Meetings/Events Attended:

30.09.26 – I met with Dan at Hwb to discuss details for the forthcoming Remembrance Sunday event, the Christmas tree lighting and the Grant Presentation event, all coming up in November and December.

06.10.26 (AM) – Attended an online meeting regarding Torfaen Deal Partners. This was interesting and concentrated on how Halo Leisure and TVA have become large TCBC/Blaenau Gwent partners in delivering better leisure facilities. It did seem more geared to the larger Councils and also more up the valleys than in the South of the Borough. TCBC are considering asking Councils to sign a pledge to The Deal.

06.10.26 (pm) – Kelly and I attended a training session to better understand the processes of the Borough and Community Council elections coming up next May. It was very useful and will enable us to assist with signposting Councillors should they need help. It did however highlight that as admin staff we were not allowed to offer advice, only to pointing Members and potential Members to the right information sources. Current Community Councillors will be invited to a briefing in due course to help them through the process.
